

Job offer for Psychiatrist in Gothenburg, Sweden

The public health care in Västra Götaland offers four positions for adult psychiatrist in the city of Gothenburg, Sweden.

There are two positions in the Affective Psychiatry Department and two positions in the Addiction Department.

The doctor will work in a multidisciplinary team, in both inpatient and outpatient work. The work includes reception, diagnosis and treatment of patients, team sessions and meetings with the patient's family, cooperation with social services.

In the affective psychiatry clinic, they treat patients with affective disorders, including bipolar disorders, anxiety syndromes, compulsive-, eating-, personality-, neuropsychiatric disorders including ADHD and autism spectrum disorder. They have several programs for adapting people to the society, as these patients often have a hard time adjusting.

The addiction clinic cooperates with the University of Gothenburg and their program Center for Education and Research on Addiction (CERA). They also cooperate with Socialstyrelsen (national health board) for further development within the area of addiction, it regards treatments, new medicines, high technological tools, etc.

The Hospital has a generous policy regarding further training and participation to conferences and they collaborate with the University of Gothenburg. The doctor will also be involved in the training of resident doctors and in the further development of the department. There is a close collaboration with the clinic for adult psychiatry, situated nearby.

Gothenburg is a city in the province of Västra Götaland on the western coast of Sweden. It is the second largest city in Sweden and the fifth in the nordic countries. The city has a population of 549 839 inhabitants in the urban area and 970 912 in the metropolitan area. It was also ranked as the 12th most inventive city in the world.

It is the home of many students as it includes the University of Gothenburg and Chalmers University of Technology. There are two airports serving this city, one located 30 km southeast of the city centre and another one located 15 km from the city centre.

The city is known for hosting some of the largest annual events in Scandinavia. The Göteborg International Film Festival, is the leading film festival in Scandinavia with over 155,000 visitors annually. During the summer a broad variety of music festivals take place.
