

Job offer for radiologist in Jönköping, Sweden

The public health care of Jönköping offers a position for a radiologist with experience and interest in mammography at Ryhov hospital.

Jönköping is a fast-growing city with a population of 129,000 and is the centre of a region, with 380,000 inhabitants. It is located in Jönköping county characterized by its innovative and entrepreneurial spirit. The city is easily accessible and there are excellent links between Jönköping and the major cities in Sweden as well as a good connection to Copenhagen and the continent.

The Ryhov Hospital in Jönköping is a modern county hospital and it's the main hospital in the Jönköping County. The hospital has 22 clinics and 3300 employees. The hospital is a fully equipped emergency and teaching hospital. There are many opportunities for further training and education and participation in research projects. The mammography department is located in Jönköping but there are also screening activities in Nässjö and Värnamo. There are approximately 25 employees in the Mammography Department and there is a very advanced digital and ultrasound system. The mammographer is cooperating closely with the surgeon, oncologist and pathologist.

We offer:

- Permanent contract after successful Swedish language exam.
- Salary starting from 3600 € gross per month before obtaining the Swedish license and from 4600 € gross per month after obtaining the license. Duties, if there will be, will be paid apart.
- Training courses within working hours.
- Help to find: apartment, school and kindergarten.
- Invitation to study tour to Sweden after a first interview, to learn more about the region and the work environment.
- Assistance with removal and relocation.
- Intensive Swedish course, also for the family.
- Remuneration during the Swedish language course of 700 € monthly net, a supplement for children of 70 € monthly net, free apartment and travel costs for the family.

All the services of MediCarrera are free of charge for the candidates.

Requirements:

- Specialist title in Radiology with experience in mammography.
- Availability to complete the Swedish intensive course
